**Introduction:**

Consideration of issues such as industrial growth, changing technology, social and economic changes By preparing short-term vocational courses for students who have dropped out of formal education and for students who have taken special education (add-on courses), such students will be provided with employment and Businesses that are essential for promoting self-employment (Employability) To meet the need for education, Maharashtra State Vocational Training Board (presently known as Maharashtra State Skill, Vocational Education and Training Board) was established in 1986 under the auspices of the Directorate of Vocational Education and Training. Under this board, employment and self-employment Vocational courses are conducted to achieve this goal. The growth in industrialization is changing.

As well as time-to-time improvement in the syllabus of the Board due to technological, social and economic changes etc

Increase the number of active members in the group by 6 months, 1 year and 2 years.

Such courses are being implemented in part-time and full-time formats. Funds were sought from interested private institutions to run these courses.

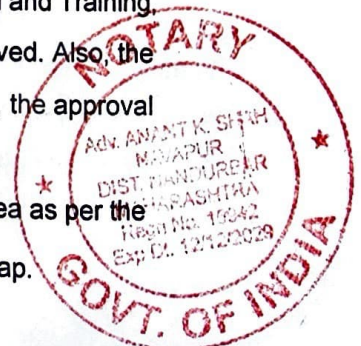

Accordingly, the Maharashtra State Skill, Vocational Education and Training Board has examined and inspected the applications received from private institutions desirous of starting courses in the paramedical group through the District Vocational Education and Training Officer of the concerned district and recommended the eligible institutions to the Board. The proposals received from the District Vocational Education and Training Officer have been examined by the Maharashtra State Skill, Vocational Education and Training Board and the list of eligible institutions has been submitted to the Government for approval vide letter No. 7. Accordingly, the government was considering approving new institutions/units offering certificate and diploma courses in the paramedical category of the Maharashtra State Board of Skill, Vocational Education and Training to start vocational courses on a self-financing basis from the year 2024-25.

#### **Govt. Decision:-**

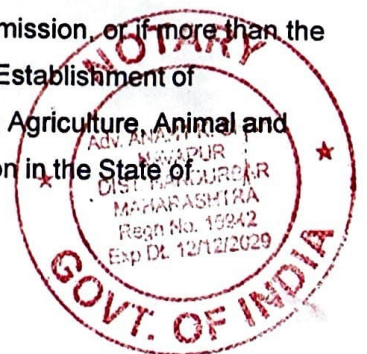

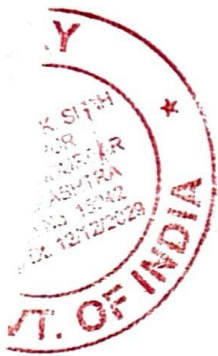

The proposals submitted by the private educational institutions desirous of implementing the courses of Maharashtra State Board of Skill, Vocational Education and Training in the Paramedical Group have been scrutinized by the Maharashtra State Board of Skill, Vocational Education and Training, and accordingly, the recommendation for approval to start the Certificate and Diploma courses in the Paramedical Group of the Board meeting the necessary standards has been placed on the Board. The details of those institutions are attached in the attached Form "A", and the said institutions are being approved to start the Certificate and Diploma courses in the Paramedical Group of the Board from the year 2024-25 in the new institute for new/additional batches on self-financing basis, subject to the following terms and conditions.

#### **Terms and Conditions:**

1. It shall be mandatory for the institutions approved to offer courses under the Maharashtra State Board of Skill, Vocational Education and Training to comply with the orders issued from time to time by the Government, Directorate of Vocational Education and Training, Maharashtra State Board of Skill, Vocational Education and Training and the concerned offices under the Directorate.
2. For conducting courses of Maharashtra State Board of Skill, Vocational Education and Training, the institutions should admit students in the same premises where they have been approved. Also, the approval of the same premises will be considered, if any change in the premises is found, the approval will be cancelled.
3. Approval for running the said institute course is being given on the basis of the total area as per the documents submitted by the institute regarding the site and the available space on the map.

4. Although the said institute has been approved to start the Maharashtra State Skill, Vocational Education and Training Board courses on self-financing basis, no grant or financial assistance of any kind will be provided in future. Also, the students admitted for this course will not be eligible for the benefit of Government of India Post- Matric Scholarship, as well as tuition fee/examination fee.
5. The tuition fee fixed as per the recommendations of the committee constituted to determine the fees of the courses of Maharashtra State Board of Skill, Vocational Education and Training shall be applicable to the said institutions. No tuition fee shall be charged in excess of the fixed tuition fee.
6. Since the said courses have been approved on self-financing basis, the service/salary and related matters of all the staff recruited for these courses will be  
The responsibility will remain with the concerned institution. The government will not bear any responsibility in this regard.
7. The said institution has been granted recognition as per the records of the received proposal/proposal. If any discrepancy/illegality is found in the content thereof, the recognition of the courses in the concerned institution will be cancelled immediately and legal action will be taken against such delinquent institutions.
8. It will be mandatory for the institutions to put up notice boards on the premises stating "Certificate and Degree Courses Approved on Self-financing Basis". The notice board should mention the number of approved blocks of courses and the approved admission capacity. The name of the institution should not be given as Medical/Engineering/Polytechnic/ITI or similar names and instead it is mandatory to mention Skill Development Institute after the name of the institution. If the institution does not submit such change in name, such institutions will not be considered for approval. While submitting the proposal/proposal for renewal of basic education and other matters, it will be mandatory for the institution to mention both the old name and the revised name of the institution.
9. Earlier, Higher and Technical Education Department Government Corrigendum No.: VOC-2012/591/P.No.245 (c)/ VYA SHI -4, dated 16th January, 2013, it was provided that the required deposit amount should be paid in cash through challan or in the form of bank guarantee. However, as per the Board's letter No. Meeting/ KA.No.12/2023/303, dated 31.03.2023, the deposit amount should be paid in the savings bank account of the Board online by the concerned recognized institution. It will be necessary.
10. The admission capacity of additional/new batches of the approved course will be 30 per batch.
11. If the institution admits students without obtaining approval for admission, or if more than the approval is given, such admission will not be accepted. For this, the "Establishment of Unapproved Institutions and Starting Unapproved Courses of Study in Agriculture, Animal and Fisheries, Health Sciences, Higher Technical and Vocational Education in the State of Maharashtra (Prohibition) Act, 2013" will be applicable.

12. If the institution does not start the approved course in the approved academic year or if the admission in the batch of the said course is less than 50 percent of the approved admission capacity for 3 consecutive years, the recognition of the said institution will automatically be cancelled. After that, the institution will be required to undergo the recognition process afresh to start the said course.
13. If the Government changes the course being implemented by the Maharashtra State Board of Skill, Vocational Education and Training as per the National Skill Qualification Framework (NSQF), the institution will be bound to implement the course accordingly.
14. Institutions approved to offer courses in the paramedical category will be required to obtain approval from the relevant council/board in the medical field, where necessary.
15. Candidates who have completed training in Diploma and Certificate level courses in Paramedical will be eligible to work as Health Assistants.
16. Diploma and Certificate level courses in Paramedical are not medical courses and candidates are not eligible to prescribe drugs for any purpose to any patient.
17. Candidates who have completed Diploma and Certificate level courses in Paramedical will not be allowed to use the title "Doctor".
18. The institute should establish a virtual classroom.
19. If any irregularities are found to have been committed by the institution, the recognition of the said institution will be cancelled.
20. The Director, Maharashtra State Board of Skill, Vocational Education and Training should submit information to the Government within two months regarding the number of students admitted to the recognized institutions and the number of students admitted in each course.

This Government Official Website of the Government of Maharashtra [www.maharashtra.gov.in](http://www.maharashtra.gov.in) This code has been made available on the website and its code number is 202409131740156003. This order is being issued by authenticating it with a digital signature.

By order and in the name of the Governor of Maharashtra,

(S/d)

(Manjursha Karande)

Deputy Secretary, Government of Maharashtra

Copy,

1. Hon. Minister's (Com.R.O. & N.A.) Private Sanchav, Mantralaya, Mumbai.
